

Thank you Partners!

NAWG would like to give a special thanks to John Deere for partnering with us on Monday's reception and to FMC for partnering with us on the Board of Directors working lunch. NAWG would also like to thank BNSF for partnering with the National Wheat Foundation on "Wheat 104".

The NAWG Industry Partners Council (IPC) is comprised of representatives from our value chain partners who participate in the five levels of IPC engagement.

To learn more about the benefits of being an IPC member and how to join, email Caitlin Eannello at ceannello@wheatworld.org!
