### Parliamentary Procedure Refresher Training

Have you ever been to a meeting where nothing seems to get accomplished, people's opinions are overlooked or getting business done is chaotic and frustrating? Parliamentary Procedure can help! Parliamentary Procedure is the accepted process we use to govern meetings. Regardless if you're an expert, or have never used Parliamentary Procedure before, we can all benefit from this refresher.

Join us Monday, November 7 for a training session on Parliamentary Procedure. Sponsored by the Bayer Leadership Program and the National Wheat Foundation.

### National Wheat Foundation Fun Night at Top Golf

Join the National Wheat Foundation's Fun Night at Top Golf! Everyone is welcome to this night of socializing, dinner and golf. Proceeds from the event will go towards the wheat Life Cycle Assessment research project the National Wheat Foundation, National Association of Wheat Growers and U.S. Wheat Associates are leading. Fun and friendly competitions will be held!

Please register and pay for the National Wheat Foundation's Top Golf night on the Fall Conference website page. Thanks to our great sponsors, Top Golf, Columbia Grain and Northwest Farm Credit Services, the cost is \$100 per person to attend, but paying more is highly encouraged!
